

rethink.radiant

Beginning August 2nd /3rd, we're making some changes!

Grand Opening of the GARAGE!

Our brand new youth-building will be open and running,
with a teen service at all four service time options!

new service times

Saturdays @ 4:30 and 6:15 p.m.
Sundays @ 9:15 and 11:00 a.m.

Why are we doing this?

1) More Room for Kids.

With over 1,300 kids every weekend, we are out of space in our high volume services (10 & 11:30 a.m.)! Help us keep it safe and fun!

2) More Convenient to Volunteer.

Now, you can attend one service and serve in another, without leaving the campus! You'll save time, gas & money.

3) More Options for your Teens.

For the first time in Radiant's history, your teens can attend their own service at any of the four adult service times. That means your family can select a time and day that works for everyone.

4) More Room for More Visitors.

All four services will offer the same great weekend experience, and by re-distributing the 10:00 a.m. crowd, we hope to open up more seats for more first-time visitors!

So... where did the Classic Service go? While we'd love to offer specialized worship services in the future, we watched the attendance drop from day #1 in the Classic Service and realized that right now, service time options are more important than music style! (Don't worry, we'll throw in a hymn every now and then!)

*If you're a regular Sunday attendee, consider switching to Saturdays!
Give up your Sunday seat for the new visitors in our
community who tend to come on Sundays!*
